The Queen wishes me to write and thank you for the colourful handmade cards which you have sent on the occasion of Her Majesty's ninetieth birthday.

It was very kind of you to make these cards for The Queen in honour of her special day and Her Majesty was touched by the care you have taken with your artwork.

The Queen hopes you will understand that, because of the enormous number of letters, cards and messages she has received in the last few months, it has not been possible to reply to you until now and I am to thank you, once again, for your thought for Her Majesty at this time.
