# Year 4 Newsletter Autumn 1

abc

## This Term

Welcome to Year 4 Harris! We are very excited to have a year filled with fun, laughter, learning, kindness and curiosity. These newsletters will be handed out half-termly throughout the year and will contain lots of important and useful information. For now, if you have any questions about the upcoming year, please contact Mr Harris at [aharris@christchurch.walsall.sch.uk](mailto:aharris@christchurch.walsall.sch.uk)

This term, we will be learning about the creation story in RE, living things & their habitats in Science, 'being me' and celebrating difference in PSHE, online safety & coding in Computing, a local study of the Walsall leather industry in History, drawing skills in Art numbers & food in Spanish! For more information, please see the curriculum overview on the Y4 Harris class page on the school website.

## Don't Forget!

PE this half-term will be on a Thursday. Our topic is 'invasion games' which will be outside where possible, so please send your child with a PE kit suitable for outdoors.

Reading books are heard throughout the week. Please send your child with their book every day. A signed diary will earn Dojo points!

Homework will be handed out on a Friday to be returned by the following Thursday. Raffle tickets and Dojo points will be awarded for early returners!

## Important Dates

21st October - Y4 Harris will be leading the collective school worship. The theme is Harvest.

18th November - Children in Need

## Special Events/Activities/News

In our classroom, we will have a 'links from home' board. Please do send in (or email) any photos of what your child has been up to, or what their interests are so these can be displayed. In Y4 Harris, we love to have photos of pets on the display board too!

Class Dojo - Your child will bring home a Class Dojo link for you to connect to so that you can see the rewards that they are receiving during school time.

## Useful links

Check out our class pages on the school website throughout the year to see photos and examples of our work. Go to: Menu > Children > Year 4 Harris.

A fantastic website for Coding at home is [www.code.org](http://www.code.org). Check out the Minecraft coding at Learn at home > do an hour of code.

Your child has school accounts for ,  and . Please feel free to ask Mr Harris for your child's login details so these can be accessed at home.
