Christ Church CE Primary School

Weekly Newsletter

Friday 28th March 2025

Hello Everyone,

I hope you are well. It was lovely to see so many mums at our first two Mother's Day lunches this week, I hope you all enjoyed the time with your little ones. It was also great to welcome a number of parents to our 'SEND Coffee Morning'. A really informative morning and a great way to build networks of support.

I look forward to seeing the rest of the mums, next week for the final two lunches.

A polite ask. Christ Church is a no smoking zone, as it is a public area, this also includes vapes. Could I ask that parents do not vape on site, I often see and smell plumes of scented smoke by the gates.

Funny of the Week

Came from a pupil last Friday, who approached Mrs MacDonald to tell her how lovely she was. Mrs M. asked, 'Is that because I am judging your bake off?' To which the child replied, 'Yes dam it!'

Subject of the Week

This week it has got to be Computing. Last week, staff had training on how to use A.I. for teaching! This week, I have seen amazing things being done by staff and children, Great effort everyone! It's the future!!!

News from a PHASE

In lower KS2 over the past couple of weeks, the Year 3&4 children have had a fantastic time taking part in Red Nose Day activities.

They were fully engaged in the bake-off competition between classes and had great fun cheering on their teams during the staff football and dodgeball games. Many children made vibrant banners to support their chosen teams! Additionally, within the phase, the children have been exploring a new way of learning, using individual iPads, while the staff have been experimenting with a new A.I. system that the children have thoroughly enjoyed.

Keep up the amazing work Year 3&4!
