RED NOSE DAY

Friday 21st March 2025

Hello Everyone,

Well, what a week! From the highs of seeing Year 5 on the T.V. at the Kabaddi World Cup, to the incidents in the local area.

These are certainly testing times for all of the Christ Church family and the local community, however, please rest assured that we will strive to ensure your children are safe, loved and nurtured at Christ Church. If you have been affected by the incidents this week and would like support, please come and speak to us, we are here to help.

I would like to thank all the parents who 'Checked In' and wished us a 'peaceful day' on Wednesday, those words were very much appreciated.

Funny of the Week

One of the things that could only happen in a Primary School. Whilst heading to a class, I passed the toilets to hear a young man, belting out his favourite song as he was doing what was needed!! 😂

Subject of the Week

Not so much a subject but how Christ Church supports the training of new teachers. This week, 34 students were in school for 2 days, picking up ideas for behaviour management and how to implement rules and routines.

Attendance

A pretty good week for attendance, last week. Seven classes were over the 95% mark. Yellow Class, were top of the charts with 99.7%, so close to the magical 100%. Hopefully, we are now through the worst of the horrible bugs and Chicken Pox that have been going round.

Let's see how many classes can get above 95% this week, I think it will be high!

News from a PHASE

In Upper Key Stage 2 this week, Year 5 and 6 have had a busy and exciting time! Year 5 had the fantastic opportunity to attend the Kabaddi World Cup in Wolverhampton where they got to cheer on Team England and soak up the atmosphere of an international sporting event. The children loved learning more about the sport and being part of such a unique experience. Meanwhile, Year 6 have been deepening their understanding of significant historical figures. This week, they explored the life and work of William Tuke, learning about his contributions to mental health and the impact he had on society. The children asked thoughtful questions and showed great interest in the subject. Well done, Year 5 and 6, for another week full of learning and memorable experiences!
